Weekly Hybrid Worship:
In-Person, and Livestream ~
Summer Worship Services:
9:00 a.m. in the sanctuary!

~ A Note from the Pastor ~

Summer officially began on June 21st and I can already feel the energy of the season shift us into a more relaxed mode. Our church choirs and Sunday School will 'pause' gatherings and practices until rehearsals and classes resume once more sometime in September. Our *RamPacks* Food Pantry will become more silent as all of our pantries and their leaders and packing teams now look towards a new school term. Since our *ReCharge* Youth Ministry just launched in January, our youth will continue to meet throughout the Summer months as leaders and youth build on their relationships with each other and with Jesus. *Fostering Hope Bucks* held their Open House on Saturday, June 11th, and the level of activity in and out of the Foster Share Closet is yet to be experienced by their leadership. Our *AA Noon Day Monday/Tuesday* group will continue to gather in our Fellowship Hall throughout the Summer months.

I'm not sure everyone has travel plans for the Summer that will take them out-of-town. Maybe, for you and your family, activities will include attending weekly sporting events or local camping (even in your own backyard), local concerts, or sailing on a nearby lake (I think Lake Nockamixon is beautiful); all of these activities will fill the warmer days of Summer with moments of relaxation and joy. Maybe you have a lot of work before you tending to the needs of everyday life demands and a moment of 'peace and quiet' is all you desire. Though I enjoy traveling, some of our best evenings during the Summer are simply those nights at home when we fire up the grill for some outdoor cooking and just sit on the back porch enjoying a great simple meal!!

Whatever fills your days of Summer – know this – Sunday worship will be held every Sunday at 9:00 a.m.; and though I miss seeing you at in-person worship, we now livestream our services and then later make available a recording of the service on our website. So, when you are unable to attend the in-person worship service – the worship service is available to you and your family - that you can worship together at a time that works for you; maybe this worship moment will be by the ocean or on a mountaintop, maybe on a lake or in a tent or in a cabin, maybe you will have finished a delicious grilled hamburger or hot dog and after finding your physical hunger satisfied, you will relax on your back porch and seek to worship our God that is everywhere, our God that is ever present, anytime, anywhere, and then, your spiritual hunger will too be satisfied. May it be so!

Summer blessings, *Pastor Trudy*

Look for Offering Envelopes in the Narthex!

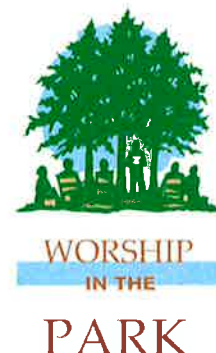

Lancaster Theological Seminary will be supported on August 7th

The Seminary lives out its mission to educate and strengthen leaders for congregations, enable other Christian vocations, foster lifelong learning, and nurture a worshipping and caring community. The Church has high expectations for its ordained leaders. In addition to mastering the academics required to lead a church, the expectation is that formation for ministry includes spiritual centeredness, biblical knowledge, and administrative and pastoral skills.

No funds come to the seven UCC seminaries from the national budget of the Church. Instead, each Seminary has been encouraged to develop a network of regional support for education from its local / regional churches and individual donors. Envelopes are attached to this GOOD NEWS. KIDS SUMMER LUNCH PROGRAM

It's back! **The Kids Summer Lunch Program through Pennridge FISH** will again be offered to clients this summer. The program had not been offered the last two years due to Covid and a program that had been available through the state for parents to assist them with feeding their children over the summer. That program through the state is no longer available so FISH will be undertaking their program again.

So as you are shopping this summer for your vacation or having things on hand for the kids or grandkids, take a look at how you can assist FISH with their Kids Summer Lunch Program.

In the summer, FISH is preparing extra shopping bags for families with school age children who will need lunch while home this summer. During the year, many of these families receive reduced lunches for their children in their schools but during the summer this is not available and the families need to supply extra food to feed the kids during this time. We would like to aid FISH in supplying some of these items to fill the bags they will be giving out to these families.

In past years, I had put up the Giving Tree with tags of food items needed for this program but I have decided to change it up this year. There will be Summer Lunch sheets listing the items needed in the weekly bulletin so that you can carry it with you to the grocery store and leave on the refrigerator to remind you to remember this program each week. If you prefer to make a monetary donation instead of making a purchase, please place your gift in a Special envelope marked Summer Lunch for FISH and see that I get it for delivery to them. Don't place in the offering collection slot but see that it is given to me. Checks can be made out to Pennridge FISH.

This collection will continue through the month of July into mid August so if you are away, don't worry...bring your items to church when you return! When you bring in your donations, you can place them in bags marked Summer Lunch for Kids that you can find in the back of the church, in either the vestibule, Narthex or Sanctuary. Find a bag with some room and place your items inside. If all the bags are full, (that would be a big YAY!) just set it next to a filled bag and it will be taken care of.

Thank you in advance for your help in this very necessary program. FISH continues to feed the children and families in our surrounding communities so your assistance is greatly needed! Any questions, please contact Brenda Clark.

ARE YOU WILLING TO BE A BACKPACK SPONSOR?

St. Paul's will again this year be getting 48 completely filled backpacks ready to go to FISH for distribution in August prior to the start of the school year. We would like your assistance in aiding in this worthy cause.

We will have 48 completely filled backpacks which we plan to take to FISH prior to their distribution in mid August. All you have to do is make a **sponsorship donation of at least \$40 per backpack** which will assist in covering the expense of the backpacks and all the items that FISH has requested be included. Last year Endowment donated funds to assist with this program and I will again be asking for their generous assistance but your help is very much needed as well. Any funds we receive over the cost of the backpacks and their contents, whether from sponsorships or endowment, will then be forwarded to FISH for their use in the upcoming months. Last year we were blessed to give FISH 50 completely filled backpacks along with \$2,000 as all our backpacks were covered allowing the full Endowment funds along with additional funds remaining from backpack sponsorships to go directly to FISH! WOW! So now it's up to you again this year to consider sponsoring at least one backpack or maybe more!

If you would be willing to be a sponsor, what you need to do is easy! From **now until 8/28**, Brenda Clark will be collecting your financial sponsorship donation of **\$40 or more, with either cash or check (preferably made payable to Brenda Clark as she is purchasing all items with her own funds)**. All donations should be given directly to her, a member of her family or Pastor Trudy or sent to her mailing address--Brenda Clark, 412 Campus Dr., Perkasio, PA 18944. Please do **NOT** drop in collection box in Narthex. We are looking for **at least 50 people to make a \$40 sponsorship** as well as obtaining assistance from Endowment which may allow us to donate additional funds to aid FISH with any other projects they have ongoing over the next few months.

Your \$40 or more sponsorship is needed promptly as this program only runs for a short time. Don't delay and get your sponsorship funds to Brenda now! Any questions, call her @ 215-285-0294.

Thanking you for your assistance in helping the children in our community.
You always come through and I am positive you will do so again!

What's Cooking at St. Paul's

RECIPE FOR: Dave Wagner's Apple Salad

FROM: Nancy Moyer

Salad

1 bag of Romaine
 3/4 c. raisins
 1 c. cashews
 1 granny smith apple, unpeeled, sliced thin
 1/4 c. red onion
 1/4 c. crumbled blue cheese

Dressing

1/4 c. sugar
 1/4 c. veg. oil
 1/4 apple cider vinegar
 1/4 tsp. garlic salt
 1/4 tsp. celery salt

Add the apples about 30 minutes before serving and pour the dressing on at that time.

*I tripled the recipe when I made it for a crowd. I used 2 big heads of curly green lettuce instead of the bagged Romaine.)

*Can also add chicken.

RECIPE FOR: Spinach Strawberry Salad

FROM: Nancy Moyer

Serving Size: 4

Salad

1 bunch baby spinach, washed and dried
 1 quart strawberries, sliced
 1 2 oz. pkg sliced almonds
 1 or 2 small cans of Mandarin orange slices, drained
 *Try adding some dried blueberries or cranraisins

Poppy Seed Dressing

1/2 c. sugar
 1/4 c. cider vinegar
 1 1/2 teaspoon chopped onion
 1/4 teaspoon paprika
 1/4 teaspoon Worcestershire sauce
 1/2 c. vegetable oil
 1 tablespoon poppy seeds

Salad - Wash and dry spinach-add strawberries, MANDARIN ORANGE SLICES, dried blueberries or cranraisins and almonds

Dressing - Combine first five ingredients in blender. (I leave out the onions - too much bother for 1 1/2 teaspoon of onion.) Process for 30 sec., scrape sides, blend at high, and gradually add oil. Stir in poppy seeds with spoon.

Toss salad with dressing before serving.
